Tyumen: Between ~~the~~ Past and Future

Welcome to the West-Siberian city named Tyumen. Though it was a small city 50 years ago, now it is a living megapolis with the population of 2 million people. So, how does Tyumen attract people?

• Sights

Every city has its history, which can be discovered in museums, but Tyumen is a museum itself. Quite every street has a program, which allows you to see this ~~place~~ place like it was centuries ago, using the integrated software, so you can get all the information. The most popular places are the Bridge of Lovers and the Colourful Boulevard.

• Transport

Tyumen is considered to be the leading city comparing the usage of flying vehicles, so seeing a flying car is nothing new for the locals. You will never be stuck in a traffic, furthermore, this kind of transport is environmentally friendly.

• Food

We already replaced the food with the pills, that contain all the useful components, but here you can try the ~~traditional~~ traditional dishes, which were cooked here, like soups, pelmeni/etc.

• Work and Studying

The educational system here became totally free 20 years ago and is approved by the leading experts in the world. According to the statistics, unemployment rate had been reduced greatly since the 2030s.

As you ~~can~~ can see, Tyumen is a modern city, it develops daily and cherishes all the new people. Therefore, it also remembers its roots, its past, that allowed the citizens to build this magnificent present.
