Tyumen: the City of possibilities.

Tyumen is one of the most developed cities nowadays. "The City of possibilities" is the second name of Tyumen. And it's absolutely true: here you can find anything you need and do whatever you want to do.

What places do you can visit?

There is a huge amount of places where you can have fun. For example, Attraction Park. You'll find the craziest carousels here. Or, maybe, you're looking for intellectual centres? Then ~~you~~ you should see Tyumen's Industrial University. It's one of the biggest scientific laboratories integrated with the best Europe's ~~an~~ universities. All computers here have the latest software.

Travelling

As long as Tyumen is a modern city there aren't any vehicles that are obsoleted. All means of transport use ~~only~~ nothing but the Sun's energy to go.

What do we have to eat?

In common, there is a lot of cafes catering dishes made by the latest technologies, but we also have traditional food.

Jobs

In the City of possibilities there ~~are~~ is a lot of work to do. That's why all people have jobs here. And we must admit that they do their occupation just brilliantly.

Education

All Tyumen's schools, colleges and universities have the greatest conditions to give ~~to~~ teenagers and kids the best education. According to the World ²⁰⁰ Education Association, our educational system is number one.

As you can see, Tyumen've ^{has} got a lot to show to you! We'll hope to see you here
