Untangling the Myths

The year is 2070 and, presumably, peace and quiet are relevant all over the world. However, if an inner voice calls you for discoveries, why don't you try to face a heavy challenges from Tyumen?

Global Freezing

Even though the problem of global warming was solved this city is now covered with snow more than it did centuries ago. Track-type vehicle and smartphones with a software which has a low-temperature resilience are needed. Nevertheless, having all those ice roller coasters tried by yourself you begin to understand that the very extreme circumstances is what makes Tyumen outstanding. Integrated danger and beauty.

Daily business

Despite skiing with friends, ~~and~~ breaking the record of building the biggest snowman or any other obsolete activities Tyumen can provide a wide choise of museums of all kind and a variety of sport activities including those which can be done only in hot climates. ⁵ thanks to ~~was~~ wealthy investments throughout history on behalf of our government Tyumen is now enriched with any type of ^{cater} ~~sport~~ centres, city malls, sophisticated restaurants etc. You won't see plenty of kids on the streets since they spend most of the day at schools gathering the information from the ~~no~~ computer ²⁰⁰ screens ~~but that's for the better~~ but that's for the better for the tourism - ~~less~~ ^{more} natives at home means more place at streets for you to travel.

Feel the chill? ~~////~~ If so, then we're looking forward to see you in this far-flung but worth visiting city. Don't forget the suitable clothes!
