Russia 1070.

Introduction.

Looking back on every obstacle Russia had to overcome, it surprises me that this country still remains ~~as~~ ~~obsole~~ ~~te~~. Come to think of it, the Russians have always been a very tough nation. That's This is one of the reasons why The Russian Federation never failed to go through all those infamous tragedies of the past in one piece. Russia's unique culture, past and strength of its nation fascinates people all around the world, attracting more and more tourists every day.

Places to go and things to see, people to meet

Russia is the biggest country in the world. Therefore, it has a lot of places of interest. Firstly, I'd like to mention two of its most popular cities: Moscow and Saint-Petersburg. They are filled with different attractions, and cultural objects, unique art architecture. Second on the list is the less popular side of Russia. It consists of villages, small towns, beautiful nature and hardworking people. In these places you can see new methods of work in different industries, outstanding environments for study, available due to the scientific progress (classroom in the forest or underwater, for example). Wide range of cultures may provide you with lots of new activities, ways of food consumption and the like.

Means of transport.

Thanks to scientific research, well-known vehicles have been improved, which has made travelling this ~~enormous~~ huge country easier. Cars, planes and trains have been provided with special soft Software based on artificial intelligence. It can talk, sing, broadcast films, and cook you food and the like. Exactly Russian engineers managed to make it all integrate in one ~~programme~~ ^{programme}. ~~You have to check it out yourself!~~

Conclusion.

Don't ~~hesitate~~ ^{hesitate} to visit Russia. You'll go on an unforgettable trip, that will ~~catch~~ fill you up with loads of bright emotions, show you a lot of cool unseen things and make you wonder about your life and lives of others. We are waiting for you!
