Why you should visit Tyumen.

Introduction

Although being ~~an~~ a rather small city when compared to others, Tyumen holds a special place in my heart. I have spent my whole life in this city and would like to persuade you to pay it a short visit.

Travelling

Tyumen boasts three large international airports, however, you may also travel by a train to almost any other town or city in the country. Should you wish to roam internally, there is a plethora of buses, taxis and other vehicles on the roads.

Food

Obviously, there are a lot of pizza places and sushi bars ready to cater to your needs. However, you may also find an abundance of smaller restaurants that offer a wide variety of traditional ~~styles~~ cuisine from around the world.

Work

More and more companies have started looking for software engineers and designers, as the digitalisation of industries is going rampant. Yet this doesn't mean that traditional jobs have gone obsolete.

161

Education

Tyumen Industrial University and Tyumen State University have integrated into the United Tyumen University, and together they provide graduates, highly qualified in various fields.

176

Recreational activities

Apart from regular cinemas and cafes, people often like to ~~visit~~ <sup>attend</sup> more unusual establishments and take part in activities like paintball, historical recreations and skiing. There are also numerous libraries and bookshops for avid readers.

Places of interest

Right in its centre, Tyumen has got a wonderful park called "Lenin square". It's a clean and quiet place, that many <sup>people</sup> love to spend time <sup>in</sup>. It's famous for <sup>gr</sup> a tall statue of Lenin. Another famous park is called "Gilevs kaya rocha".
