### Tourist paradise

#### General description

Now that people have an ability to come and go as they please, everyone is looking for a perfect place to visit. Well, seems like there is one. Eco may turn out to be the city of your dreams. It was named Eco since it was considered the most eco-friendly metropolitan area. Centrally located in Russia, it attracts millions of tourists annually. So, would you like to find out more about it? If yes, feel free to look through the entry.

#### Lifestyle

In Eco, there is no disparity between the haves and have-nots, as work and study is now integrated. It ~~allows~~<sup>enables</sup> people every age to pick up new knowledge as well as use it and skills and take advantage of it by earning money. In this city, both local residents and ~~tourist~~ holiday-makers use state-of-art technology. With a variety of environmentally-friendly vehicles to pick out from, you can travel wherever you want with full sense of comfort. Also, there are innumerable gadgets and computers provided with software, which are used to send ~~messages~~ data in a matter of seconds, take photos as well as to ~~use for~~ work and study.

#### Places of interest

There are plenty of museums, libraries and cinemas to broaden your horizons. You can also do sightseeing appreciating modern art. Nowadays, a tourist attraction called "Obsolete" is really catching on. Even though it has just opened, it has already become popular. ~~This is probably because it combines~~ It's neither a cafe nor cinema, just the middle ground. There are robots that will cater you as well as help you choose a film to watch.

#### See you there?

Eco is a city with genial local people, who welcome individuals every nation and gender. ~~No~~ No matter who you are, we are always pleased to have new guests and, if you would like to live here, inhabitants.
