Tyumen - the new dream

In ~~our~~ our city there is no plants, that pollute the ecosystem, and no wasteful materials are used to build new houses. Welcome to ~~the~~ Tyumen!

A great national park

In three kilometers from Tyumen there is a big national park called "Bears' footprints". A lot of ~~endangered~~ species are living there and also the rarest polar bears found home there. They offer special excurses and also you can download their application where you can find an integrated VR journey so everyone can enjoy the view!

Modern public transport

There is absolutely no vehicles in Tyumen, except for those which ~~use energy or strength of your body~~ to move. We use tunnels to go everywhere, you can just sit in a capsule, and select where you want to go in special software on your phone and you will get there in no time!

High-class learning

All schools and universities have the newest equipment that matches world standards. Ratings of our universities are so high that they are considered one of the best in the world. Moreover, after graduating they guarantee you a well-paid job.

Revolutionized eating

A decade ago a special research in Russia concluded that we should ban meat. It was a tough decision but now the obesity rate is twice as low and the risk of heart attack is no ^{higher} than 40% per cent.
