#### WORK COMES FIRST

Although it's neither communism nor capitalism now, merely all people are employed and happy with their workplace. A variety of jobs is offered and the salary is just sufficient, which means workers are multi-developed and satisfied. As for younger generation, students can enjoy integrated working and studying ~~system~~ process on modern software systems, thus become more experienced in all spheres of life.

#### FROM VITAL TO FUN

Not only are all vehicles eco-friendly, the whole transport system is so convenient that one can travel ~~from~~ between different parts of a town in the blink of an eye. Modern Russia is also a paradise for healthy food fans: a wide range from oysters to cranberries is available in nearly every canteen with affordable prices. Furthermore, there is a place to have fun for everyone. Cultural spending of free time can be

watered down with leisure activities in the open air. The only problem is - fashion is obsolete.

### COME AND PLAY
