Tyumen - the best city on Earth!

Welcome to Tyumen - one of the most popular Russian destinations, an embodiment of everything you could have ever seen in sci-fi movies. This city has a lot to offer so join us on this adventure!

Transport

Don't worry about your safety and comfort when commuting around the city. Tyumen has adopted a new model of a vehicle with different sections which has been invented by local engineers and software designers.

Leisure activities

There are numerous multifunctional centres with stuff that caters for people both residents and tourists. You can enjoy your time at the gyms, libraries, coworking areas, cinema and so much more.

Food

All of the cafes and restaurants in Tyumen offer have an integrated platform which allows people to adjust microclimate, reduce noise and, of course, order food. Vegan, gluten-free, kosher - all the diets food with special requirements is served. Moreover, you can enjoy different cuisines in practically every where.

Attractions

There are several museums of Tyumen history, museum of contemporary art and a lot of parks with colourful fountains that you are able to touch and not get wet, skyscrapers and skateboarding areas. A must-visit spot is certainly an embankment with four levels where you can enjoy the picturesque views of the city.

Education

You're welcome as a student as well! Universities in Tyumen are the best in Russia and they offer education of high quality and opportunities for research in different sciences.

Don't hesitate to visit this marvellous city which you will be in love with once you've seen it!
