### The city full of youth.

Places you need to visit in Tyumen.

- Time changes.

A lot has changed in the past few decades. There is more love, more tolerance and less misunderstanding and hate between people. The new generation changed the way some things were. Everything is more colourful and youthful now. But people wouldn't be able to change everything and forget about the city itself. Tyumen is much more beautiful than it was, let's say, 50 years ago.

- Must-visit places in Tyumen.

Let's start with the centre of the city. There are a lot of places where you can find anything you want, basically. Huge malls, movie theatres, gyms, coffee shops and restaurants - you name it, we have everything you would want to have a good time.

To have a good time you can always go to the Drama Theatre and watch a great performance, or go to <sup>the</sup> mall and spend your time shopping or going to cinema with your family. There is also a lot to experience in villages outside of the city, like traditional dances and much more.

- Transportations

Also, people are more environmentally friendly now. Instead of "usual" cars and buses, we use the ones that don't pollute the air. People finally realised how important it is to keep our home clean.

And there you go. We hope to see you soon in Tyumen. Remember: happy memories are waiting for you!
