Tyumen: the heart of Siberia

Nowadays more and more people tend to spend their vacations as close as possible to mother nature. Being eco-friendly is extremely trendy now, and choosing a ~~modern~~ progressive and environmentally-responsible place to visit has never been easier!

Gr The city of Tyumen is a perfect example of how two completely different habitats can form a unique tandem. Modern vehicles with integrated brand-new non-pollutional technologies with regular ~~software~~ software update, smart-houses surrounded by untouched forest and multiple art museums are waiting for you here. ^{Gr} enormous amount of electronic energy used for different technological needs is produced by solar panels located on the roof of every building.

Gr prep Tyumen is famous for its ~~local~~ little restaurants where you can treat yourself ^{Sp, WW} with dishes of northern cuisine before taking a look at the largest business center of Siberia. Multiple oil-related organizations have their offices there. Getting a highly payed job is not so easy in Tyumen, but as local universities provide access to internship programs, the percentage of wealthy people has increased!

WW If you get bored of big city views, you can always rent a car and take a 1-or-less-hour ride to the nearest natural spring and enjoy the silence, the green forest around you and the blue sky above.
