Writing

ANSWER SHEET

ID number

A 9 - 2 5

14

фонбур ноб

The Bright Future:

Introduction:

The year is 2070. The World has completely changed, technologies has become the common part of people's lives. The World has solved such serious ecological problems like global warming and air pollution among others. People made up their minds to do their best to save the nature and preserve it from ecological disasters. Let us see how people live in the center of Siberia - in Tyumen.

Travel:

The most popular ~~way~~ way to travel around the city is to use modern cars without vehicles which are engined with solar energy. They were specially designed by the best scientists to reduce the using of oil and air polluting?

Where to eat:

People tend to eat ECO-friendly ~~was~~ food which is grown in special places in Tyumen's suburbs. There ~~are~~ still a great variety of different restaurants located all around the city center. Tourists can easily find them ~~with~~ using ~~at~~ modern integrated street billboards.

Study:

Tyumen is the ~~center~~ of technological and educational center. It is believed that the best Universities are located there. The educational system differs from the common one. By the age of 21 students are completely well-qualified. The government believes that pupils are not to waste time on preparing for state exams, they are to obtain knowledge they can use in ~~at~~ daily life.

Free time activities:

People tend to spend ~~free~~ ^{spare} time on self-education process. A great number of libraries are opened 24 hours per day. The entrance ticket is free. ^{sp}
You can still find museums and parks in the central part of the city. ~~250.~~

Places of interest:

All ~~the~~ sightseeings are marked on special billboards with all information about the place. The most popular one is "the Modern museum". There you can find out a lot of ~~new~~ information about the city history, nature of the region and people among others.

Conclusion:

All in all, Tyument is the scientific and technical center of Russia, with a great variety thing to see and to learn.
