gr gr
In the beginning of ~~the~~ the XXth century, Chekhov mentioned that a horse ~~sank~~ sank in mud amid the central square of ~~the~~ Tyumen. Things change a lot since the ~~from that time~~ now Tyumen is a home for many innovative companies which make lives of all Russian citizens more comfortable. All Russian software and technologies are born here.

THE NEW CITY CENTER.

sp
sp
This ~~area~~ breathtaking area was build less than 20 years ago, in a place where swamps used to be. Now you can see the skyscrapers, where offices, malls and apartments are integrated. The biggest park of Russia is located here. In fact, the whole area is a park zone, where nature interweaves with high technologies in a very peculiar yet picturesque way.

THE OLD CITY CENTER

gr gr
Located by the Tura river, the old city center is a place for historical ~~enrichment~~ enrichment. One can ~~witness~~ witness here a gas-powered vehicles used as decorations of pedestrian ~~streets~~ streets, ~~the~~ signs with obsolete and modern names of ~~roads~~ roads and sculptures of people of the past - all of that ~~was~~ had been done to preserve a historical heritage of Tyumen.

WHY TYUMEN IS WORTH VISITING

not clear
Tyumen is one of the most futuristic places in Russia. Even though it is unique as the past of the city has not been forgotten: one still can experience the wooden buildings, the old embankment and the Tatar cuisine. In 2010s a slogan was made up: "Tyumen is the best city on Earth". Coming here will prove to you that this slogan is still true.
