The school's museum's facilities

To: High School Authorities

From: Gemma Styles

Subject: school museum

Date: 16/02/21

Introduction

The aim of the report is to provide an overall view on school museum's disadvantages and why students do not visit it frequently. The report is based on high school students' opinions.

~~Main information about school museum.~~

Main information about school museum.

The museum is overwhelmed with diverse items representing country's history and essential events. Photos of battles or memorials dedicated to famous people can be found there. Moreover, there are various trophies and medals which were gained by school's sportsmen during international competitions.

Uneffective usage of museum

Not everything in a museum is in a great condition. A plenty amount of objects is broken or not relevant. Limitation of brand-new items leads to students' lack of interest. Furthermore, there is no engagement of technologies. Teenagers assume that the way of learning the information in the museum is boring due to no involvement of technologies, for example, computers or laptops.

Recommendations

Taking into consideration everything mentioned above, it is crucial to understand that the museum needs up-to-date equipment,

Both new information and items. To enhance teenagers' interest the museum should be provided with ~~smart screens~~, computers and projectors to make the process of visiting ~~this place~~ more entertain. What is more, a wide range of items representing school's history should be added. Besides, students will be able to use all items for their education or researches.
