Every person ^{student} from our school is no doubt aware about the historical matter of our school museum. However, the museum is becoming less and less popular. ~~The~~ Student has no desire to visit it and to ~~learn~~ learn more about our school's history. That is why the aim of this report is to analyze the situation and give recommendations about how to solve this problem.

Problems

Order of para.

Actually, the main reason why practically all students do not attend the school museum is that the word "museum" itself is associated with something boring and tiring. They have no idea what ~~is~~ ^{is} ~~outplaced~~ ^{is} there. If they knew that there is an engagement ring ^{an Anne Boleyn's engagement ring}, their interest would rapidly increase. So, ~~the~~ the students must be more aware of the things that are kept in our museum. We should make an ~~amazing~~ ^{amazing} advertisement to make them interested in visiting it. Moreover, we should ^{renew} museum's exhibition and ^{fill} it with pupils' drawings. It can increase public access. ~~to the museum~~

Museum's appearance

Added to all ^{text} what was written before, we should care about the museum itself. ~~Someone~~ Nobody will ^{attend} go to see ^{an} extraordinary ^{limitation} if the place ^{looks} ~~is~~ ^{is} awful. There is no doubt that the floor must be repaired, as the ^{ugliness} ~~ugliness~~ of the museum does not cover that fact. Therefore, we should ^{ask} the principal to help us. Nevertheless the school museum consists of a lot of advantages: huge windows made from Italian glass, walls painted with school's symbol and a fabulous monument in the centre.
