Yakovlev

To: The School Authorities

From: Emma Wong

Subject: The School Museum

Date: 16/02/2021

• Introduction

The following report is aimed at analyzing the work of the school museum in order to increase students' engagement in its work. My class is eager to propose some ideas and recommendations regarding the museum.

• The exhibition

Gr + St. According to a survey among students, the majority of them are not aware of the school museum's field. The objects there are to be sorted considering ^{the} school subjects they are ~~now~~ related to. The school museum currently has a limitation in space, hence, a great deal of things are not shown to visitors. The expansion of the museum would be advisable.

• Interaction

Sp + Despite ^{the} number of students at school, the museum lacks volunteers. It is necessary to promote working in the museum as an opportunity to gain experience. The volunteers' output ought to be mentioned in the school newspaper. Students could create a website for the museum to post relevant information for visitors. Various educational activities should be organized in the museum on a regular basis so that students could learn during the process of interacting with objects in the museum.

• Recommendations and summary

Gr + In conclusion, I would advise not to expect the museum's ^{popularity} begin growing rapidly. It would be beneficial to enhance the exhibition and promotion of the museum. Additionally, special scholarships for museum volunteers would attract students. My classmates and I are willing to aid our school in developing the museum.
